PORSCHE - 2000 (W) BOXSTER-S 3.2s Tiptronic-S Roadster Convertible 3.2Litre, Flat-6i 24Valve

MPFI DOHC, 252BHP, 5 Speed TIPTRONIC Automatic. Two Previous Lady Owners with F/P/S/H and 41K miles. Finished in unique [L3AZ] Ocean Blue Metallic with blue leather interior. A high spec car where the reality truly lives up to expectation in this stupendous five-speed, rear-drive TIPTRONIC which allows sequential manual override by way of steering wheel pads. Her 3.2 Litre, 24 valve, multi-point-fuel-injection power plant produces a cool 252BHP with an exhilarating 0-60 in 5.8secs. This is a tasteful example of total automotive excellence with a distinct image of exclusiveness that goes far beyond the imagination. Little compares with this melodious flat six; especially when the sounds are located directly behind your hearing senses. The throbbing soundtrack starts right down at city speeds and you don't have to rev it hard to achieve that delicious virtuoso effect. Maximum torque is delivered at 4600rpm and it is there when your euphonious pleasures start reaching their peak. Among turn-key day-to-day cars, nothing comes close to supplying the sensational, seat-off-the pants rush effect that the Boxster S 3.2 does. The car comes alive on quite country roads and makes driving and responding very much a two-way pleasurable experience; this car feels as if she is painted on the road ahead. It courses between bends without being at all bothered by bumps and/or debris, whilst speaking volumes through its chassis and steering as well as probably manically grinning driver. This is true fun at its best, pure and simple. She is brutal yet beautiful, lively yet with an inimitable style with elegance. These are the qualities that make this car one of the most desirable S-enhanced Boxster models that is uncompromisingly the true sporty implementation of the Porsche-Boxster concept with its instantly recognisable red brake four-piston mono-bloc callipers. The package is complemented with the excellence of a premier Hi-Fi system, 17" genuine Boxster-S 5- Spoke Sports alloys with Hi-Performance tyres, Air conditioning, Tempomat Cruise Control 5-Speed Tiptronic Automatic Transmission. Anti-Lock Braking System. Airbags, Electronic Stability Programme. Climate Control, Pollen Filter. Electric windows. Electric Heated Wing Mirrors. Auto-Dimming Rear View Mirror. Power Brakes. Stainless Steel Exhaust System. Power Steering. Adjustable Steering Column. Engine Immobiliser. Theft Alarm System. Electric Seats. Map Reading Lights. Dual body-colored heated & Electrically adjusted outside mirrors. Center high mounted stop light. Top HI-Fi System with CD, RDS+CD Stacker with Integrated Surround Sound Speakers plus host of other extras. Forget the mid-life crisis; make your heart beat fast each and every day, for less than half the price of an ordinary NEW car. *Please ask for a presentation CD and a complete Specification Sheet on this car.*
