2005 [55] BMW -X 5 3.0_sportdiesel, Exclusive Sport Edition [ESE], Turbo-Diesel, 6Speed Automatic. Face-LIFT 4x4 SUV 3.0Litre, InLine_6 Cylinder_24Valve, DOHC-MPFI Turbo-Sport-Diesel. One Owner. F/BMW/S/H. with 18K miles. Finished in attractive Carbon-Schwarz Metallic with Dakota Black Leather [trim and carpets] with matching Graphite/Anthracite interior/headlining. Floor the right pedal of this true Sports Utility Vehicle [SUV] into its deep pile carpet, this 3.0-litre 2.7tonnes powerhouse with multi-speed cruise control instantly comes alive as she roars into action achieving an incredible 0-60mph in 6.8secs. As this stunning black beauty gathers up her skirt, and positively slingshots herself up any gradient with masses of torque, arguably as one of the fastest SUV on the roads today, she leaves majority of the fastest petrol-engine sports cars floundering in her wake, all very intimidated and left totally inadequate. This Face-Lift Beauty has a sloping bonnet with dual channel raked air-intakes, centrally located front wide-angle view colour camera, HALO xenon headlamps shielded by polycarbonate lenses and bumper-mounted fog lamps complete with a raked windshield providing her with an aggressive stance that is impossible to ignore by anyone especially as they see her approach them at speed in their rear view mirror. She has the aura of Fort Knox on the outside, but palatial and sumptuous on the inside, as she pampers you as much as her top of the line 7-Series saloon cousins. Draped in unique Dakota leather, garnished with extensive Titanium coloured trim and matching dark graphite deep pile carpets she encapsulates you seductively into her soundproofed cabin with the assurance of security, reliability and total wellbeing. The interior is further enhanced with the integration of arguably the worlds most sophisticated automotive Satellite Navigation & advanced Bluetooth Communications and Entertainment System a la Pioneer AVIC-HD3BT making your driving a true pleasure. This exclusive Pioneer AVIC-HD3BT Hard Disk Drive GPS, Entertainment and Communication System with its 7" wide-colour touch screen, incorporates additional Hi-Tech Equipment such as a Digi-Tele-Vision multi-channel Tuner, DVD movies, reverse + forward colour cameras with auto-override switching, discretely located through the BMW emblem on boot lid at rear and centrally located in the front, a multi-CD deck is also provided with an integrated can-bus speed-pulse adapter for communicating with audio controls conveniently located on the multi-function sport steering wheel of the car. The body management is superb and her positive road-holding is ingeniously achieved via her all-independent suspension confidently holding you glued to the road through BMW's xDrive intelligent four-wheel-drive system. The cars grip of the road is further enhanced by the use of high-performance MICHELIN 4x4 DIAMARIS 285/45R19-107V [Rear] and 255/50R 19-103V [Front], superbly hugging the road with its integral 19" 5 Star spoke Alloys while between wheel spokes the four-piston disc brake callipers are clearly visible, thanks to its coating of look-at-me red paint. Driving this Exclusive Sport Edition X-5 is a relaxing and pleasurable experience both on motorways and in town, and considering her magnificent size she does an excellent job when off-roading as well. Unlike conventional off-roaders, this X5 features a unitary body, self-leveling rear axle, independent sports suspension and, in the guise of DSC (Dynamic Stability Control), arguably most advanced electronic suspension control system. Reflecting the broader range of motoring conditions in the X5, DSC has been augmented in this case by the ADB (Automatic Differential Brake) and BMW's "intelligent" HDC (Hill Descent Control). That is the ingenious of Munich in living form, which is what makes an everyday reality of this the Ultimate Driving Machine. Why not participate in this incredible driving experience daily, and become part of BMW's luxury world today. All-in-all, this X5 is the best suited car for the one who is highly demanding both in luxury and performance. Do not miss this unique and rare opportunity of experiencing and owning this stupendous driving machine. A car conceived and built for the special in YOU!
